Story Thus Far

One day,
something
destroyed
70% of the
moon.

Our new
teacher
is a
creature
who
plans
to
destroy
the
world...?!

Newspaper

A mysterious creature showed up in our junior high classroom claiming that he had attacked the moon and promising to destroy the earth next March. And then...he took over as our teacher. What the—?! Faced with a creature beyond human understanding that no army could kill, the leaders of the world had no choice but to rely on the students of Kunugigaoka Junior High, Class 3-E, to do the job. For a reward of ten million dollars... SIGN ME UP!! Will the students of the so-called End Class, filled with losers and rejects, be able to kill their target Koro Sensei by graduation...?!

Koro Sensei ☺

A mysterious octopus-like creature whose nickname is a play on the words "koro senai," which means "can't be killed." He is capable of flying at Mach 20 and his versatile tentacles protect him from attacks and aid him in everyday activities.

Nobody knows why he wants to teach Class 3-E, but he has proven to be an extremely capable teacher.

Kaede ☹ Kayano

Class E student.
She's the one who named Koro Sensei. Sits at the desk next to Nagisa, and they seem to get along well.

Nagisa ☹ Shiota

Class E student. Skilled at information gathering, he has been taking notes on Koro Sensei's weaknesses. Everyone is beginning to realize that he has a hidden talent for assassination.

pick up!

Ritsu

She took the exams as an experiment and ended up getting perfect scores on every test, except for failing the Modern Literature exam. "Human minds are far more difficult than assassinations," she said with a sad smile upon her face.

Karma Akabane

Class E student. A quick thinker skilled at surprise attacks. Succeeded in injuring Koro Sensei a few times.

Ren Sakakibara

Gakushu Asano

Teppei Araki

Natsuhiko Koyama

So sinister...
Like father like son!

The Big Five

Araki, Sakakibara, Koyama, and Seo are among the top academic scorers at the academy, receiving second, third, fifth, and sixth place respectively on the midterm. Their leader Asano (the principal's son) took first place on the midterm as well as in the national practice

exams. "The Big Five" are revered by the other students. Class E is competing with them for first place on the final exam in the five major subjects! How will they fare...?!

Tomoya Seo

Water Balloon

Irina Jelavich

A sexy assassin hired as an English teacher. She's known for using her "womanly charms" to get close to a target but has failed to kill Koro Sensei—yet.

Tadaomi Karasuma

Member of the Ministry of Defense and the Class E students' P.E. teacher. Also in charge of managing visiting assassins.

Filled With 100% Slime

Koro Sensei rebuilds the swimming pool!

He even added an eye-wash station. The students told him no one uses those anymore, so now it's just a drinking fountain that's really hard to use.

Gakuho Asano

The principal of Kunugigaoka Academy, who built this academically competitive school based on his faith in rationality and hierarchy.

I BET THEY'LL BE SO HOT I'LL GET A NOSEBLEED—NO MATTER HOW TIRED I AM!

LET'S GO BACK TO OUR ROOMS TO REST. I DON'T FEEL LIKE DOING ANYTHING ELSE TONIGHT...

WHOA... I'M DEAD ON MY FEET.

THE END

In Japan, Vol.7 comes in two editions. There's the ordinary edition like the one you're currently holding and the Anime DVD Bundle Edition, which comes with a different cover illustration and some new pages. Since this series began, many people have been supporting it through various projects, collaborations and products. I can't thank them enough.

Because of Koro Sensei's simple design, I start thinking, "Maybe I can ask them to do a collaboration with Koro Sensei!" whenever I see a round shape in town. But...I'll keep working diligently and rein in my greed.

—Yusei Matsui

Yusei Matsui was born on the last day of January in Saitama Prefecture, Japan. He has been drawing manga since elementary school. Some of his favorite manga series are *Bobobo-bo Bo-bobo*, *JoJo's Bizarre Adventure* and *Ultimate Muscle*. Matsui learned his trade working as an assistant to manga artist Yoshio Sawai, creator of *Bobobo-bo Bo-bobo*. In 2005, Matsui debuted his original manga *Neuro: Supernatural Detective* in *Weekly Shonen Jump*. In 2007, *Neuro* was adapted into an anime. In 2012, *Assassination Classroom* began serialization in *Weekly Shonen Jump*.

When he's bright red, he's angry. His face turns this color if you interrupt his class or eat the snacks he's been hiding.
